

## Calling all Elementary Curlers!

Join us April 3-6, 2025 at the Palmerston Curling Club as we play host to the 2025 Elementary Curling Championship! This year's competition, located in the Town of Minto (Palmerston), will offer a unique and unified curling experience under one roof at the Palmerston Community Complex, home to the Palmerston Curling Club, Palmerston Arena, and Community Centre.

In addition to the 4 sheets of curling currently at the Palmerston Curling Club, and led by our team of expert ice technicians, the Palmerston Arena surface will be transformed into a 4-sheet competition style playing surface, thereby creating an 8-sheet curling venue. We are excited to offer this curling experience to the young athletes participating!

Through this competition, we hope to inspire a lifelong love of the game through friendly competition and fellowship, in a fun and safe environment. Our group of dedicated volunteers have been working hard to ensure this event is a memorable experience for all participants!

What: Elementary Curling Championship, April 3-6, 2025
