

Welcome back to the 2024/2025 season at the Palmerston Curling Club. We are excited to begin another season of Good Curling! Please check out the updates and opportunities happening this season. We are fortunate to be able to host a number of Bonspiels and Provincial Qualifiers this season – come out and support these events by participating, volunteering or spectating! A big thank-you to Don and his ice-making crew, and to all of our club volunteers that have helped to get the club ready and leagues organized. See you on the ice!
